Note: Every team will be asked to select a player from their own team with knowledge of scorekeeping to assist with the game after the completion of their own game. Thank you.

Tournament Format: Preliminary Round – each team will play against teams in its own group. After the completion of the pool play games, all teams will be seeded for the playoff/championship round. The top 3 teams from each pool will make the playoff round. The bottom 2 teams from each pool will qualify for the Men's Open division playoff.

Note: Please report to the court you are designed to play at least 30 minutes before the scheduled start time because we will be looking to start games immediately after the previous game is finished. Failure to do so may result in a forfeit for your team.
