Note: Every team will be asked to select a player from their own team with knowledge of scorekeeping to assist with the game after the completion of their own game. Thank you.

Pool Play/Preliminaries: In each group with four teams, team 1 plays team 2, team 3 plays team 4. Winners then play each other and losers play each other. In the group with three teams, each team plays against each other. This concludes the pool play games.

Playoff Format: teams will be reseeded 1-11 by virtue of their won-loss records and +/- for the playoff/championship round.

Note: Please report to the court you are designed to play at least 30 minutes before the scheduled start time because we will be looking to start games immediately after the previous game is finished. Failure to do so may result in a forfeit for your team.
